

Week beginning: 9th November

New word of the week

Saint

Please discuss this word with your child

Tricky words

to, the

Phonics

ck, e, u, r

In the future, we will be sending letter formation sheets to match the sounds we are learning in school. **Please** practise this formation regularly. These are to stay at home for your reference.

Maths

This week, children are exploring length and height, using the language associated with comparing and measuring. Children also begin to explore capacity using the terminology 'empty', 'half full' and 'full'. They compare the capacities of different containers and explore capacities through play.

Stories

This half term we will be looking at stories by Julia Donaldson and Michael Rosen.

This week we will also be looking at stories with alliteration

Eg Curly Caterpillar/ Smug Slug

Understanding the world

We are learning about Remembrance and the significance of poppies.

Music

Sing a Rainbow—Peggy Lee

(1998 Remastered version)

R.E

This week we are continuing our topic of “Welcome”. We will be looking that the key features once more and acting out a Baptism in class.

AOB

As the weather turns colder and the classrooms continue to be well ventilated, we know that the children may be feeling a bit more chilly in class. They can wear an additional layer under their uniform

In the coming days you will find some words in book bags for your child to practise. Please can they learn these off by heart as they will be saying them together as a group.

Have a great week!
