31st October 2018

Dear Parent/Carer,

St Joseph's Catholic Primary School Parent & Friends Association (PFA)

The General Data Protection Regulation came into force on 25th May 2018.

As the PFA operates separately, albeit in tandem with the school, the association also needs to ensure that it is compliant with the new data protection laws.

From the moment your child started school, you became part of the PFA. Therefore, please be aware of the updated PFA Privacy Policy which has been attached for your convenience. A copy of this policy can also be viewed on the school's website www.st-josephs-upminster.net/ under News, PFA.

Thank you.

Parent Friends Association Committee
