

Welcome to St Joseph's

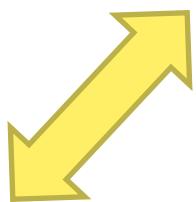

Thank you for taking the time to look at our website. We would normally hold a meeting for prospective parents. Unfortunately, we are unable to do this safely at this time. The aim of this PowerPoint is to support all of the other information that you will find on the website and summarises what I would normally say at the meeting. We welcome all applications and should you have any questions about the process, please do not hesitate to contact the school office.
