

Week beginning: 15th March

New word of the week

symmetrical

Tricky words

Revision of all Tricky Words

We just need to keep reading and learning all the tricky words we have covered so far. Learn to write them if you can read them.

Phonics

This week we will begin recapping the Phase 3 sounds.

This week we will recap:

j, v, w, x

y, z, zz, qu, ch

sh, th, th, ng

ai, ee, igh, oa

Maths

This week we will continue exploring and identifying patterns, including line symmetry in images and simple shapes. We will be creating and extending our own repeating patterns involving two, three and four items, including images and objects. We will be identifying, and making, pictures with symmetry.

We are also writing numbers to 20

Stories

This half term we will be looking at stories by Pat Hutchins and Eric Carle

Understanding the world

We will be thinking about Spring and particularly growing over the next few weeks. We will look at our daffodils that have grown and be planting cress seeds and bulbs. We will discuss sunlight, water, air, food and love. All the things we need to grow.

R.E

This week we will be continuing our topic of *Growing*. We will be planting cress seeds and watching them grow. We will talk about all the things we need to be healthy and grow.

Have a great week!

Music

Lovely Day by Bill Withers

AOB

We would be very grateful for any spare packets seeds or bulbs you may have for our planting area.

Your child will be bringing a reading book home this week, These will come home on a Monday and should be returned, along with the library book, on Friday. This is so we can quarantine them over the weekend, ready for Monday.
